

SAFE, SACRED, & SOVEREIGN

“We envision a nation where Native women are treated with honor and respect, where she is protected under the law and her personal sovereignty is never compromised.”

CULTURE SPECIFIC ADVOCACY

WomenSpirit Coalition (WSC) introduces **‘Peace, Joy, Wisdom’** a series of culture specific workbooks for Native American communities providing domestic violence services programs.

Peace, Joy, Wisdom is a culturally modified and enhanced training and technical assistance resource that aligns with the

State and National Domestic Violence Service Standards. The content of each workbook is supported by research, data, and best practices for trauma-healing informed counseling used in Indigenous communities.

Please contact WSC for copies of the workbooks, training, or consultation at (360) 681-3701.

PEACE, JOY, WISDOM

Each workbook was created with the person who has experienced domestic and intimate partner violence in mind. We gave careful consideration to our Native teachings, ways, and contexts to support Native communities providing domestic violence services programs with best or promising practice related to their advocacy.

Peace, Joy, Wisdom uses a culture specific liberatory healing focused and hope theory approach. We provide empowering information, culturally responsive interventions, and personal reclamation education.

WSC has empowered survivors of domestic violence and sexual assault by providing training, technical assistance, and consultation to Tribal programs for over twenty years. We are happy to offer Peace, Joy, Wisdom as a direct service resource.
